RE: Land Division Application
Parcel Number: 64-014-009-300-09
Part of the: Sec 9 Town 14 North, Range 15 West, Newfield Township,
Oceana County, Michigan

Your request for land division under Michigan Land Division Act, 1967 P.A. 288, as amended (the "ACT"), has been approved, according to the requirements of such law, and based upon the representations contained in your application for a division.

A building permit may not be issued for any parcel of less than one acre in size until and unless the parcel has all of the following: (a) public water, or county, or district health department approval for the suitability of an on-site water supply under the same standards as set forth for lots under Section 105(g) of the Act.

This division approval is not a determination that adequate facilities are available for public water and/or sewer, nor a determination that any parcels which results from the division will satisfy any applicable standards for on-site water supply and /or on-site sewage disposal. The Township and its officers and employees are not liable if a building permit is not issued for any parcel due to the inability of a parcel to be serviced by public water or sewer, not due to the inability of a parcel to obtain approval for on-site water or sewage disposal.
